The picture on the right shows that man is separated from God. But why are we separated from God and His love?

The picture on the right shows that our sin will lead us only to death (eternal separation from God) and certain judgment.

When Jesus Christ died on the cross He bridged the separation between God and us. But, does this mean that the separation has been bridged for everyone?

Only those who personally receive Jesus Christ into their lives, trusting Him to forgive their sins, can cross this bridge. Each of us must decide individually whether to receive Jesus.
