

Foundation Study 09: SALVATION

What do the following verses say about salvation?

1) 2 Timothy 3:15

Salvation mans to be saved or rescued (Colossians 1:13). Other words that describe Biblical usage of the word “salvation” include; cure, remedy, recovery, redemption, and welfare. Charles Ryrie states, *“The full Christian usage means saving a person from eternal death and endowing a person with everlasting life.”*¹ Salvation includes being saved from the penalty (Romans 5:9), power (Romans 6:7), and eventually the presence (Revelation 21:4) of sin.

Salvation is understood through the Scriptures. The body of Scripture provides the information needed to understand why and how to experience salvation. The content of Scripture is the witness of Jesus Christ (Luke 24:27; John 5:39; Acts 13:37; Romans 1:16).

Salvation is by faith (Acts 13:39; Romans 2:28). Salvation is experienced through belief, ongoing trust. Charles Ryrie defines saving faith as *“confidence, trust, to hold something as true... to have faith in Jesus Christ means to have confidence that He can remove the guilt of sin and grant eternal life.”*² It is not just intellectual belief, but active trust. It is not the kind of belief one has that any airplane can fly, but that the airplane you are boarding will fly.

Salvation is through Jesus Christ (John 1:12; 3:16; 14:6; Acts 4:12; 1 Thessalonians 5:9; 1 Timothy 2:5). The person and work of Jesus Christ is the sole and essential object by which a person experiences salvation.

2) Luke 1:77

Salvation is centered on forgiveness (Acts 13:38; Romans 5:15). The New Covenant is centered on forgiveness. It was announced through Jeremiah (Jeremiah 31:31-34) and inaugurated by Jesus Christ (1 Corinthians 11:24-26; Hebrews 12:24). Forgiveness means to give up the right to exact judgment or punishment.

*“There can be no Good News for the person who does not sense that he needs Good News. And there can be no sense of need without some realization of sin. Of course, sin has many symptoms that can alert and individual to the basic problem, sin. Therefore, a Gospel presentation can focus on lack of joy or peace or the need to have help in solving problems, but those are symptoms of the sin that alienates form God. Nevertheless, one does not need to be saved in order to have joy or peace or the solution to problems. He needs to be saved in order to have sins forgiven. Lack of joy is not what bars people from heaven. Sin is. The Gospel believed solves the sin problem.”*³

3) Ephesians 2:4-9

Salvation is merciful and gracious. Mercy is compassion upon man’s hopeless state (Romans 5:6,8). Grace is the highest expression of love. Grace is undeserved, unconditional, unmerited favor. Salvation can’t be earned and therefore is not obtainable

through works or effort. It is a gift and can therefore only be received. Grace (Acts 15:11; Romans 3:24; 5:15; Ephesians 2:5), mercy (Titus 3:5; 1 Peter 1:3), and faith are the means by which salvation is experienced.

4) John 10:28,29

Salvation is secure. It can't be lost (John 6:39,40). *"No one" means just that, no one. "Scripture gives no hint that a Christian can loose new birth, or that he can be 'disindwelt,' or that he can be removed from the body of Christ, or be unsealed. Salvation is eternal and completely secure to all who believe."*⁴ Evidence of the security of the believer comes from the following sources:

- The Holy Spirit's sealing is until the day of redemption not until a day of sin. In other words, personal sin does not unseal the Holy Spirit (Ephesians 4:30).
- The completed future event of justification and the same number being chosen as justified are evidence of security (Romans 8:30).
- The term "eternal" speaks of a secure salvation (John 3:16).
- There is no successful accusation against the believer's eternal standing (Romans 8:33).
- The repeated use of the term "once and for all" and the Lord's intervention preventing Satan's accusations (Hebrews 7:25).
- The Spirit's baptism is not spoken of as something that is reversed but rather in a tense (aorist) that communicates a one time act with lasting results (1 Corinthians 12:13).
- God's love, not the believer's actions, is the basis for the security (Romans 8:38,39; 2 Timothy 2:130).
- Hebrews 6:4-6 speaks of immature Christians who can't return to the beginning of their spiritual journey (since it is a one time event) but rather should move from immaturity to maturity.

5) Hebrews 2:3

Salvation is immeasurably wonderful. The magnitude of salvation is communicated by the following terms:

- Substitution** (Isaiah 53:4-6; Mark 10:45; 2 Corinthians 5:21; Hebrews 9:28; 1 Peter 2:24; 3:18). Jesus died in the place of sinners. Our sin was imputed (credited) to Him and His righteousness was imputed to us.
- Redemption** (Mark 10:45). The idea behind redemption is payment of a price resulting in deliverance or freedom. Jesus is the redemption for people's salvation. Redemption is seen in the following terms: free (Romans 3:24), rescued (Galatians 6:20), ransomed (1 Peter 1:18; Revelation 5:9), and bought (1 Corinthians 6:20; 2 Peter 2:1). Ryrie states, *"Redemption may be summarized around three basic ideas. First, people are redeemed from something, namely the market place of sin. Second, people are redeemed by something, namely by the payment of a price, the blood of Christ. Third, people are redeemed to something, namely, to a state of freedom; and then they are called to renounce that freedom for slavery to the Lord who redeemed them."*⁵
- Atonement** (propitiation) (Romans 3:25; Hebrews 2:17; 5:9; 1 John 2:2; 4:10). Propitiation means placating the wrath of God upon the sinfulness of man. The blood of Christ is the means by which the anger of God is averted from mankind's sin. God's righteous anger towards man's sin is turned away, appeased (atoned for) by the

sacrifice of Christ. The wrath of God is satisfied by the blood of Christ. *“This is the message we bring to a lost world. Receive the Savior, Who through His death, satisfied the **wrath** of God.”*⁶

“Our problem with sin is not just that we ‘feel’ broken and lost, but that we are eternally separated from God, whether we feel like it or not. The reality is the wages of sin is death, eternal separation from God. Standing under God’s holy judgment we desperately need a Savior. It is because of this very real need that God sent His Son into our world to live a sinless life and to become the sacrifice to bear the weight of our sin, taking the wrath of God’s judgment in our place.” - David Hong.

D. **Reconciliation** (Romans 5:10; 2 Corinthians 5:19). Reconciliation means to change the state of a relationship from enemy to friend. From hostility to peace. God takes the initiative and reconciles the world to Himself through Christ. The world now becomes savable. However, individuals become saved only upon faith in the person God reconciled the world through, namely, Jesus Christ.

E. **Justification** (Romans 3:24). Justification is the result of salvation. It is a legal term much like a verdict. It includes the idea of a favorable verdict. In the Biblical context it means to be declared righteous or in a right relationship with God. It is by faith alone (Romans 3:28; 1 Corinthians 6:11; Galatians 2:16), based upon the resurrection of Jesus Christ (Romans 4:25), through the blood of Christ (Romans 5:9), is by grace, it is a free gift (Romans 5:16, and is the work of God (Romans 8:30). *“Justification is not only one of the great benefits of the death of Jesus Christ but is also a cardinal doctrine of Christianity because it distinguishes it as a religion of grace and faith. And grace and faith are the cornerstones of the doctrine of justification.”*⁷

6) 1 Peter 2:2

Salvation is both obtained and grown into. The believer is complete positionally at the point of belief (Colossians 2:10). However there is growth in the practical realm that can be obtained (Ephesians 4:15; Philippians 3:16; 2 Peter 3:18). There is knowledge to gain so faith can grow. The three aspects of salvation are justification, sanctification, and glorification. Justification occurs the moment a person believes. Sanctification is a life long journey of spiritual maturity that is done in partnership with the Holy Spirit. Glorification is an event (Romans 8:30) that marks the culmination of existence in this life and the beginning of existence in an eternal state. As Rick Warren states, *“People are as spiritually mature as they choose to be.”*

7) Hebrews 2:3

Salvation confirms election (Acts 13:48; Galatians 1:15). Election is the act whereby God chooses people to become the recipients of salvation. It is a sovereign act. It is determined in eternity past and is providential. However, it is never separate from free will and the need for the elect to choose to believe. Election is not salvation. Election is God’s choice of people while faith (belief, trust) is people’s choice of God. Salvation only confirms election. No where does it state in the Bible that people are chosen not to receive salvation. No where does it state that some are “non-elect.” That is only determined if they die in a state of unbelief.

8) **2 Corinthians 6:2**

Salvation is an urgent matter. The urgency of salvation is seen in the nearness of the completion of this age. It is spoken of as “near” (Luke 21:28), “today” (2 Corinthians 6:2), “last days” (Hebrews 1:2), and the “last hour” (1 John 2:18).

9) **Acts 4:12**

Salvation is a necessary matter. The human soul “MUST” be saved (1 Peter 1:9). It is saturated with sin nature and incapable of self salvation. It is destined to exist forever (Daniel 12:2). The only question is, where? Heaven or hell.

10) **Romans 10:13**

Salvation is available to anyone, anytime, anywhere who calls upon the Lord Jesus to be saved. God wants everyone to experience salvation (1 Timothy 2:4). The only things that precede salvation are conviction about; personal sin, Christ’s righteousness and God’s judgment (John 16:8-11). The only things that accompany salvation are repentance (Mark 1:15) and the right kind of sorrowful heart (2 Corinthians 7:10).
