NOTES:

5:1-6 This is _____

5:7-15 _____ to live trusting God

1. Make God the essential core of every part of your life.
2. Live each day honoring God.
3. Respect Who God is.
4. Celebrate Jesus Who saves you.

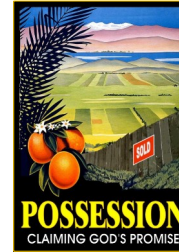

TAKING IT HOME...

Think about what Jesus said in Matthew 22:37 about loving God supremely. What would it take for you to love God like that? What would you need to give up? What would you need to begin to do?

Consider the four commandments and their application and then think about your life. Would you say that you are living each day according to those commandments? What could you change that would help you live more obedient to the commandments?

Sometimes change seems overwhelming. But, even a 5% change in our behavior and attitude can have huge lasting results. Change, when it comes to trusting God, also comes with the assurance that we are moving forward with God into the life that He promises us. Why not ask God to give you the courage and trust in His promises to begin making the changes you need to make in your life?
