Which cycle are you on? What would it take to move you to the rewarding cycle?

How are you doing at controlling The Weakening Cycle?

No Respect > No Love > Bad Reaction >!!! However....

1. Husbands can be **won without a word** - 1 Peter 3:1-4 - show **UNCONDITIONAL RESPECT**. For the **Wife** - **UNCONDITIONAL RESPECT** unleashes her Husband's Sacrificial Love
2. Wives must be **loved with a sacrificial love** - Ephesians 5:25-31 - give **UNCONDITIONAL LOVE**. For the **Husband** - **UNCONDITIONAL LOVE** unleashes his Wife's Willing Respect

The example of both unconditional respect and unconditional love is found in Jesus (Ephesians 5:22,25). As we follow Jesus' example by surrendering and trusting God with our lives He will develop within us the ability to unconditionally respect and love our spouses. What in you needs to be surrendered to God? What do you need to trust God with?

How are you doing at unconditional respect and love?

Husbands take sacrificial leadership and get the cycle turning - **Just Do It!** (Ephesians 5:29) This may require uncomfortable conversation with your wife. But, it is worth it to listen to her perspective on your marriage. Pray together for God to energize your oneness.
