

## Running Before The Messiah

Hebrews 11:30-40

11:30,31 Sometimes trusting God may seem kind of weird. But everything about it is right because we're depending on God.

11:32-35a When we step out in faith trusting God we join what cannot be defeated.

11:35b-38 The dream is still alive!

11:39,40 The history of faith isn't over yet. We too are examples of faith.

"By faith..."
