### NOTES...

1. THE CHOICE OF \_\_\_\_\_
2. THE CHOICE OF \_\_\_\_\_

### TAKING IT HOME...

God does not desire a “performance” of religious duties from us. He desires our hearts given in response to all that He our Creator has done for us.

Consider Matthew 4:18-22 and the response of the disciples. If our security is in anything but God then we will struggle at the heart level to leave our nets (or anything else we may “possess”) to follow Jesus. Only when we are free from trying to “own” the things we have and to control our lives can we be truly free as stewards of God’s resources.

Is there something(s) that you are clinging to that you need to leave behind in order to follow Jesus?

Is there something you need to let go of so that you can grab on to God? Put another way, where might God be calling you to greater stewardship? Are you willing to trust Him and so act?
