5:13 We are the \_\_\_\_\_ in our world today.

What the world needs is salt that's \_\_\_\_\_ .

In Jesus, we are the salt.

Being preservative requires \_\_\_\_\_ on our part.

5:14-16 God and the reality of His kingdom shine through us into this world.

In Jesus, we are the \_\_\_\_\_ .

To be light requires that we \_\_\_\_\_ for Jesus.

5:17,18 What Jesus is getting at...

Its important that we understand the \_\_\_\_\_ of the law.

The law is a \_\_\_\_\_ that coaches us in how to live rightly in our relationship with God. (Galatians 3:24)

5:19 The law teaches us what it means to live in the relationships with God that God establishes with us.

Bottom Line: Jesus is not doing away with the law and prophets, He's fulfilling what God intended in the first place.

5:20 Hold onto this truth...

We really are \_\_\_\_\_ by God.

We are salt and light.

Going one step further...

Being salt and light is all about \_\_\_\_\_.

**You are the salt!**

**You are the light!**

**Live that God may be glorified!**
