5:33-37: How those who live in relationship with the living God live out that relationship with others.

We need to be clear about two things...

First: We need to be clear about the _____ of the laws that Jesus summarizes in verse 33.

Second: We need to be clear about Jesus' _____ of these laws to where we live life.

Jesus' point? Ultimately we must realize that we are accountable to God for what we say. All this oathing and vowing and swearing has to do with our relationship with the Almighty God.

Jesus drives His point home with a final _____ .

Two challenges for us...

First: There are ways to _____ using God's name.

Second: We have an _____ to speak the truth.

**People need to see in us,
people in relationship with the living God,
living out that relationship
in how we live with others,
respecting Him in what we say and do.**
